

Malaika Children's Home has a sponsorship program where one can contribute towards raising one of our children. This Christmas instead of giving gifts, why not support us in raising a child.

It is important for us to have sponsorship as the cost of raising each child at the centre is roughly USD700 or EUR530 per year. This amount covers their basic needs of education, health and nutrition. Your Love and Care have no price!!!

Any amount you can donate is greatly appreciated, welcome and needed.

If you join our sponsorship program you will receive updates on your child's health and progress in the form of newsletters and pictures. This allows you to always be aware of how much your donations are helping to change their lives for the better.

With only a little effort on your part, you can make a big difference in their lives!

Donations can be made to:
